SUBJECT: NIS Sections 23, Weather and Climate

STAT TO: CIA/OIS
Washington DC 20505

1. Reference your letter to 5WW/DN, 3 September 1980.
2. Declassification of NIS Sections 23 has removed a major restriction to the use of this document. It is now an available source of climatic support to customers of 1st Weather Wing here in PACAF. We wish to order several sets of sections that are included in the PACAF area. Please advise us as to how we should proceed.
